MN Lakes and Rivers Advocates

We Lobby for Lakes

www.MSRPO.org

**For nearly 20 years MSRPO has provided the professional guidance for our grassroots voices at the Minnesota Legislature.**

**MSRPO advocates that Minnesota lakes and the Heritage they provide are protected and receive the legislation required for preservation.**

**The increased threats of Aquatic Invasives to Minnesota lakes demand more MSRPO legislative advocacy to protect lake quality and property values.**

**Your Organization donation to MSRPO is essential to provide ongoing year-round Legislative work. We are your voice at the Capitol.**
