## *Greetings Seasonal Owners:*

With summer coming quickly, a lot of non-profits in the state are gearing up with symposiums and meetings.

We know your commitment to clean water, healthy forests and Minnesota's future, and two events struck us as of potential interest to our members.

The first is in Rochester this week — the [2009 Lakes and Rivers Conference](#).

The Leech Lake Area Watershed Foundation, run by Paula West, will be having workshops in Shoreline Planting and Landscaping on June 5th at the Walker Community Center. [Click here for more information](#).

Many of you are opening places as the ice goes out. Enjoy!

Call your legislators, join MSRPO today, and forward this email to your cabin-owning friends and neighbors.

Sincerely,

Jeff Forester
